

Structural Engineering Examinations (SE Exams)
Vertical and Lateral PASS Information

Dear Examinee:

Current PE licensees who took and passed the SE examinations will not receive any further correspondence from the NC Board. Records will reflect the successful completion of the SE exams in addition to PE status.

Candidate's who applied to take ONLY the Structural Examinations for licensure and passed, will receive official paperwork, packet card and *Certificate of Licensure* by mail.

For the Board,

Andrew L Ritter
Executive Director
